1. Update on Current Position Regarding Ammanford Town Hall

The Mayor provided an overview of the current situation and the urgency behind holding this emergency meeting. The Interim Clerk had reported that Carmarthenshire County Council caretakers were seen removing boards and other items from the hallway of the Town Hall. It was emphasised that the Council has been advised that **30th June 2025** is the final date for access to the building.

The Mayor noted that a letter had been sent to Joyce Watson MS, but no response had yet been received.

The Mayor asked Councillors to consider urgent action, given that there are just five weeks remaining before the deadline, and this was the final full council meeting of the month.

2. Discussion on Alternative Premises

Cllr Clare Hope noted that councilors had previously decided staff should not begin searching for properties independently. However, she and the Mayor had visited several properties. While the town library had been offered, it was deemed unsuitable as the Council would not have control over the premises.

Four properties were reviewed, but only one was considered potentially viable. Unfortunately, the landlord has yet to respond. Other properties were dismissed due to issues such as dampness.

Councilors reiterated their disappointment with **Carmarthenshire County Council**, particularly with the lack of consultation and formal process involving the Town Council.

Cllr Anthony Jones also raised concerns over the removal of the Ammanford Town Council **Crest** from the Council Chambers in the Town Hall, expressing deep disappointment.

Resolutions Passed

The following actions were resolved unanimously:

- A letter will be sent to **Wendy Walters**, Chief Executive of Carmarthenshire County Council, and **Jonathan Edwards MP**, Member of Parliament for Carmarthen East and Dinefwr.

 - It will highlight the Town Council's proactive efforts in seeking alternatives.
- Legal advice will be sought from a solicitor to clarify the Town Council's legal position and whether there are grounds to challenge the County Council's actions.
